What's Happening in April?

Happy Spring!

This is the first full official month of spring, and while that alone is cause for celebration, we are also celebrating our Visual Arts Foundation students. Many of them will be wrapping up their program this month and embarking on a well-deserved break. With two Open Houses this month, one of which will be led in French, there are plenty of opportunities for you to visit the school, and see yourself at McKenzie College.

Upcoming Events

Please note: Due to the weather, we had to postpone our Francophone Open House. The new date is April 5th, 2023.
